Parents' Opinions Guidelines for Board?

In a complete about-face from their previous plan of action, the Albany Board of Education will now poll parents of Albany school children, to see which of several alternate plans they will approve for the relocation of 1,300 students now attending Cornell and Marin Schools. Parents' opinions may be used as guidelines for future Board action.

Ballots, consisting of a questionnaire, mailed out with a return post card attached, should be in the mail sometime this week. How soon these will be returned and counted is not known.

The original plan was to relocate the students in portable units as soon as possible, as many parents had declared the safety of the children should be the Board's primary concern, leaving the rehabilitation or replacement of the condemned school buildings until after this was done.

However, since the Sept. 28 Board of Education meeting, when Supt. Ken Forry was instructed to follow through with plans to lease or purchase portable units for relocating the students, many communications have come in to the Board, urging them not to act hastily in the matter.

One petition, signed by over 100 Marin School parents, asked them "not to relocate students until there is a definite plan of action regarding repairing or replacing Marin School."

Another, from the Marin PTA Executive Board, noted that they had voted 37-5 for a plan to put all relocated students on double sessions—possibly located at Albany High School. This plan would call for high school students to attend school in the morning and upper elementary students in the afternoon, while kindergarten through third grade would attend classes in ground floor rooms, and fourth graders would be relocated in facilities at one of the other "safe" schools.

Another communication, from the Albany Teachers Association and the Albany Administration Association, urged School Board members to thoroughly examine all alternatives before spending funds for portable units. They also requested the Board to withhold final plans until an Association task force could present a report to them on Nov. 9.

It was because of the wide diversity of opinions, that the Board decided to poll the parents of students to be effected. However, one Albany resident who attended last week's Board meeting, Robert Elliott, told the Board that every taxpayer in Albany has a stake in their decision and should be consulted in the poll.

The ballots will be drawn up by Forry; board member Jack Rosano; Mrs. Mary Willmann, president of the Albany Teachers' Association, and a representative of every school PTA in the Albany Unified School District.

A motion was also passed by the Board to prepare a bond proposal as soon as possible, to be placed before Albany voters.

The proposal will have to be prepared by the second week in January to be placed on the April, 1972, ballot.

Are You Guilty?

The Albany Police Dept. has received a rash of complaints both from the Lucky Market in El Cerrito Plaza, and residents in the Plaza area, concerning lost, strayed or stolen grocery carts.

One large apartment in the area has continually reported that shoppers are leaving empty carts in their parking lot—whether it is residents of the apartment house or nearby neighbors is not known.

Residents are warned that grocery carts are supplied as a courtesy to the store's customers, are not to be taken from the Plaza parking lot. Persons noticing grocery carts in other areas are requested to notify the store manager.

Fire Warning

Due to many recent fires caused by floor furnaces being covered over by rugs and other articles, the Albany Fire Department cautions householders of this danger.

With the coming of the cold weather season furnaces will experience greater use. Now would be a good time to check your heating systems from a safety standpoint. Change filters and clean out lint and make checks for any possible malfunctions of the system. If you have any doubts call in a qualified heater man to make an inspection of your furnace.

Do not use your floor furnace for drying clothes as this is a dangerous practice which has caused large loss fires in dwellings. And again be sure that nothing has been placed over the furnace to cause a "bank down" of the heat.

Fire Dept. Thanks

The Albany Fire Dept. has credited Mrs. Evelyn Walden of 1243 Brighton Ave. and Mrs. Joe Tremmel of 425 Evelyn with saving the life of Elizabeth Williams during the recent fire at 423A Evelyn, according to Fire Chief Gerald Browne.

The Fire Dept. also would like to express its appreciation to an unknown man who saw the two women struggling with the fire victim and stopped to aid them, but left before anyone could get his name.

Heavy smoke and the fact that Mrs. Williams' body was behind the door, prevented her rescuers from getting her out quickly.

Reports from the San Francisco Burn Center indicate that although burned over 75 percent of her body, she will recover.

'Pomp & Circumstance' Attend Vet Day Parade

By Dorothy Larimer

The City of Albany is planning to complete beautification of Solano Avenue in time for its debut Monday morning, Oct. 25, beginning at 10 a.m., when the Veterans' Day Observance and Parade returns for the first time in more than a decade.

The colorful parade of military, veteran and civic dignitaries, color guards, military units, drill teams, adult and high school bands, youth groups and floats will cover a line of march nearly two miles long. It will form at the Albany line on Solano, proceed west to San Pablo, north on San Pablo past the reviewing stand between Solano and Washington and east on Portland to the Veterans' Memorial Building, 1325 Portland.

Following the motorcade of distinguished guests, Alameda County Sheriff's Mounted Posse will lead the parade, which is in divisions. The line of march will include military units, veterans' group massed colors, youth groups and civic floats, including high school bands.

John K. Chapel, noted Bay Area newscaster, will serve as announcer again this year.

Alameda County has been designated as one of four Veterans' Day Regional Ceremonial sites in the United States. The Veterans of World War I of the U.S.A. is the national military veterans organizational representative of the President.

Grand Parade Marshall will be Maj. Gen. Robert R. Linvill, deputy commanding general of reserve forces, Sixth U.S. Army. He will share this honor with Maj. Gen. William F. Dean of Berkeley, who formerly held that post. General Dean, who spent three years in prison camps after his capture during the Korean War in 1950, holds the Congressional Medal of Honor and was on the cover of Time Magazine. He has been designated Deputy Grand Parade Marshall.

A. O. Soderholm of Oregon, national senior vice commander of World War I Veterans, is Honorary Parade Marshall. Honorary Grand Parade Marshall will be California State National Regional Veterans' Day Observance Chairman Frank D. Nicol. Representing 8th Congressional District will be Congressman George P. Miller.

Customers of Solano Avenue businesses are urged to park on the side streets tomorrow. Parking and moving vehicles will be permitted again on the Avenue on Friday.

More Winners In $1,500 Give-Away

Thirty-five more winners were announced at the second drawing of Albany shopper tickets, with cash and merchandise prizes again totaling $500.

The drawing was held last Saturday, at Shakey's Pizza Parlor, and was conducted by Chamber of Commerce promotion chairman and manager, Elmer Coble and Hal Denham, ably assisted by Irene MacWilliams, Chamber secretary. Entertainment was provided by students of the J & A School of Music.

Winners and their prizes include: Holly Hoppe, $100 (maturity) U.S. Savings Bond; Mr. and Mrs. F. Lindsey, $50 Savings Bond (both donated by the Albany Chamber of Commerce); $25 Savings Bond donated by Hill Lumber Co. went to L. M. Frizzi.

Twenty dollar cash awards went to Meckila Pierce, Willie Naupanno, Leroy Walker, Jr., Rowena Thomas and Rose Reyes. This was also donated to the Give-Away by the Chamber.

A $15 gift order, donated by Pursell's Ladies Apparel went to John D. Cake, while a $12.50 transistor radio from Stanley TV was awarded to V. St. John.

Ten dollar cash prizes went to Jesse Perry (who received two $10 awards), Helen Walsh, M. Haesloop, Joun Raju, U. Bell, Mary Giovannini, Mary Harper, Natalie Siemmons, R. Clopton, C. McDonald, J. V. Strubel, Sharon Carter, R. Headington, and Art Olson.

Mrs. John M. Jones, Thomas Murray, Mr. and Mrs. Fred Lindsey, Jordes Olson, Phillip Scaparo, M Haesloop, Jackie Fonken, Sylvia Lopez, Sharon Carter and Gail Waugh all received $5 cash awards.

A third final and "bonus" drawing will be held Saturday, Oct. 30, at which time all tickets which have been deposited with participating Albany businesses will be eligible for the additional prizes being given.

Tickets are still being offered at the original 45 sponsors participating in this promotion program.

Agreeable Council Conducts Quiet Meet

Members of the Albany City Council were in an agreeable mood Monday night, and most of the items on the agenda were given their "nod of approval."

Three public hearings were held and all received the green light. The first was to declare a special assessment district for street lighting on Masonic, from Solano Avenue south to the city limits. Only one resident—Eugene Darling—spoke out during the hearing, and he was in favor of forming the district. As a result, a special lighting district will be declared for Masonic Avenue, in accordance with the report submitted on Sept. 17. Poles, fixtures and spacing will be the same as on the north side of Masonic—at a cost slightly less than that side paid.

The second hearing was to act upon the application for variance for Horace Birch, giving him permission to deviate from requirements, to use 803 Buchanan as a separate single family dwelling on a non-conforming lot of 2,635 square feet. The current use is combined with three additional units, at 935 Pierce, on a larger site constituting a legal four family use in an R-2 district.

No opposition appeared, and Albany Realtor Jerome Blank, speaking for Horace Birch, who was unable to appear, explained the circumstances of the property, which was built in 1943 when the requirements were different.

On the motion of Councilman Joe Carlevaro, the Council approved the variance. Carlevaro noted that because of "extenuating circumstances" they had no other choice but to "legalize the existing use," otherwise they would be denying the owner his property rights, and causing him a great hardship if he were not allowed to divide his properties.

The third public hearing concerned an application for variance for John E. Mullarkey, for permission to cover a deck, which ties his garage and house together, thus forcing the house to with-

Anyone intending to sell any merchandise (i.e. balloons, flags, buttons, peanuts, etc.) along the parade route on Veterans' Day must obtain a business license from the City Treasurer's Office prior to Oct. 25, as the office will be closed on that day. For further information contact Marietta B. Ferreira, City Treasurer, 526-6116.

Car Thefts Up

Albany Police Inspector Art Smith has reported that auto thefts in this city are on the increase—primarily due to keys being left either in the ignition or in some other easily accesible place in the car.

Four new cars were recently recovered, with the aid of the Oakland Police Dept. They had been taken from H. L. Moore Chrysler-Plymouth and East Bay Chevrolet.

The H. L. Moore cars were found in Oakland, within 50 yards of one another; while one East Bay Chevrolet auto was recovered with the help of the Oakland Police helicopter, which was alerted immediately after the theft and was able to spot the fleeing vehicle and notify squad cars on the ground.

NOTICE

The Albany Times office has two "found" articles, waiting for their owners to claim them:

A pair of glasses, with case, found on Solano Avenue, and a pair of scissors which fell from a passing auto at Portland and Curtis.

Owners may recover their lost items by calling at the Times office and identifying them.

Albany's 'Special Entry' For Veterans' Day Parade

By Dorothy Larimer

Edward H. Brown, 83, of 541 Key Route Blvd., Albany, will be a special entry in the Monday morning Veterans' Day parade wearing his World War I uniform and riding in a 1920 Chevrolet touring car.

The uniform, which is in perfect condition, was purchased in France in 1919, which is 52 years ago. Brown then weighed 165 pounds. Today, he weighs about 168.

Asked why he kept the uniform all these years, Brown said, "I don't like to throw anything away that can be used." He wore it at a meeting of American Legion Post 292 when he was honored as a 45-year member seven years ago and once for an Army Night program.

Brown enlisted in the 370th Aero Squadron at Camp McArthur in Waco, Texas, in January, 1918. On Feb. 26, he shipped to England, where he served six months at Snare Hill camp, an airfield near Thetford. He went to France Sept. 13, 1918, and was stationed at Chatillion Sursine airfield until March ,1919. He was discharged on June 13, 1919, from the Presidio as a corporal. An air mechanic, he has only been up in a plane once.

Before his retirement in 1955, Brown was a U.S. mail clerk.

"I've spent a total of 44 years and seven months with Uncle Sam," he said proudly, explaining he had taken a civil service exam in the San Francisco post office on Nov. 12, 1910, was notified of his appointment on Feb. 26, 1911, and sworn in as a substitute on April 18. He actually started working the following June 27, and stayed on the job continuously except for service in World War I.

He has been a member of the American Legion 52 years, joining Golden Gate post in San Francisco in 1919. Later, he transferred to the St. Helena post and, after building his home on Key Route Blvd., in 1936, he joined Albany Post 292 in 1938.

Except for two houses Charles MacGregor was building on Key Route Blvd., there were vacant lots surrounding his home when it was built, Brown recalls. His wife, Claire Iris, died in 1966.

Brown is a native of San Joaquin county, where his parents had a farm.

Despite his advanced age, he is in good health and looking forward to his "big day" on Veterans' Day, when the parade kicks off at 10 a.m. and an old soldier will be part of the action.

National World War I Veterans organization has been named by President Nixon as co-sponsor of the parade and observance in Albany.

The Mail Bag

Editor, the Times:

In December of 1970, the citizens of Alameda County rallied together in a magnificent "LOBBY" to cancel out the $2,500.00 pay raise granted supervisors by their own ordinance. However, the job was not completed as this action was only a stop-gap. It is now necessary to make sure such an ordinance can never again be made law. John J. Trujillo (citizen-businessman) is County Chairman for the R. J. Kennedy petition to effect control of ALL elected officials salaries, City, County and State, restoring that control to the proper mandate of the voters, to be decided in regularly scheduled elections when and as the need arises.

A statewide petition requiring more than 520,000 valid registered voters signatures is nearing the deadline date of Oct. 22, 1971; all signatures must be precincted by that date so the need for ACTION is urgent!

Government spending must be reduced before your taxes can be eased. "Fiscal Crises" is heard at every level of government today.

Wages-Prices-Rents are frozen —but no such freeze exists on TAXES. The Legislative Budget for California 1971-72 is $33,000,000, or a cost of $275,000 for each of our 120 legislators in Sacramento. Salaries alone make up the largest part of this budget. "They" (The Legislators) have the power to take ANOTHER RAISE in 1972! We MUST stop them!

You can reduce this figure as well as your City, County and State taxes now by the same "LOBBY" used last December. TIME IS SHORT! Alameda County voters must, with 57 other counties, issue a Mandate to elected officials that they, also, must do some "belt tightening" along with you!

For information and petitions call Mrs. Marian Jones, 836-3891. IT'S UP TO YOU!

Editor, the Times:

I have lived in Albany almost 30 years and have always liked the friendly atmosphere, but one thing has always been of concern to me. It has seemed to me that Albany has not progressed like other towns around it; that the town has stagnated for many years. And now that we have a chance to upgrade Solano Avenue, to improve and beautify the street a few excitable people who were not interested enough to attend any of the public meetings (I know because I was present at many of them) are now "screaming their heads off."

I've heard all sorts of comments from people who have not looked at the overall picture—who are not aware that the same street improvements have been tried out successfully in towns and cities all over the United States. The plan takes care of the present and looks into the future.

Some people in Albany blame the city council entirely for certain features they (the public) do not like and claim that Albany City Council instigated the street plan. This is not a fact.

Property owners along Solano Avenue petitioned the City Council for Solano Avenue improvement, and the City Council, under the law, had to see that Solano Avenue be improved and beautified according to the wishes of the property owners and businesses.

Already five new businesses have opened up on Solano Avenue and many requests are coming in from out of town inquiring about available space for various kinds of businesses. A few already in business are fixing up fronts of their stores and/or putting up new signs.

Many residents have expressed their concern about the half-moons at certain corners along Solano Avenue, but this is one of the new safety features successfully used in other towns and cities.

As to parking, only 85 percent of the available parking was being used before work began, according to the findings of an engineering firm when they made a one-year survey. So actually there has been no real loss of parking.

One big point which almost all residents of Albany have overlooked is that there is to be off-street parking. Another thing to remember is that no single half-moon sticks out further than the rear bumper of an American car parked vertically.

How many residents have noticed the beautiful new lights on Solano with all wires underground? Have any of you complainers commented on the absence of all those ugly wires?

I think we residents of Albany should be glad that Albany has at last "come out of the doldrums" and is taking its place with other modernized towns in the Bay Area. I, for one, am willing to wait and see the completed street and beautification.

Sincerely,
LOTTIE MOODY SANDFORD

I wish each one the best in all the remaining games.

P.S. Also the Band and our girls with all their great spirit and hours of hard work. I want them to know I am proud of them all and wish them the best of luck.

Editor, the Times:

Here is a question to Albany people. Have you driven our obstacle course, better known as Solano Ave. Before someone had the bright idea to change it it was one of the best traveled streets in our City. If any of our City Fathers whose bright idea this was thinks that this is a beautiful sight and not a waste of good money they are badly mistaken. All the money they are spending on this obstacle course surely could have been put to better use, such as better things for the kids of Albany like baseball field improvements, how about some lights for Cougar Field? Other high schools have them, why not Albany High? They say that the merchants of Solano Ave. believe that this obstacle course will bring business back to Solano Ave. I would like to know how they figure this when they have cut down the parking space on the Ave. right in half. Do they think that people are going to park a block away from Solano and carry their packages or groceries that far? Why, they are going to shop where they can park and get to the stores without too much walking of course. Let's cut out this foolishness and if we have money to throw away on things like this obstacle course put it to better use for the people of Albany.

Marin Schedules Softball Games

The tension is high at Marin School due to the scheduled softball games. The faculty beat the sixth and seventh graders with a score of 9-4. The Marin fifth graders lost 9-5 to Cornell's fifth grade. The sixth graders lost 10-4 to Cornell's sixth grade, but the seventh graders brought the spirit up by winning 3-2 over Cornell's seventh grade. Volleyball and line soccer skills are being taught in the P.E. class at school. Names are being taken for the teams.

Aside from the above sports, table golf competition will be coming up soon. Equipment is available for tether ball, checkers, kickball, jumping jacks, carom and hopscotch. Children are encouraged to attend the after school program.

Jewelry Found

A metal bracelet with an engraved ring attached was found in the driveway of 423 Evelyn, which is after the recent fire.

The owner of this piece of jewelry has not reported it missing and there is a possibility it does not belong to the fire victim.

However, if it belongs to anyone else they may claim it by coming to the Albany Police office and identifying it.

When "The Lion," a national Lion's Club magazine, published an article about our local club erecting a cross on Albany Hill, it was read by a judge in the State of Washington, who immediately wrote the Albany Lions asking them for their plan. It seems he is planning a similar project for his area.

When the letter was read, local Lions Bill Potts and Art Longpre, design and construction engineers for the project, offered to go up to Washington to help if the Albany club will pay their expenses.

According to Diana Draper, community relations representative for Bank of America, it was fun trying to live exclusively for one week on her BankAmericard, but . . . she did run into a few problems, she told members of the Albany Soroptimist Club last week.

The first day, which was a Sunday, she found she had to pass up the collection plate at church and couldn't mail a greeting card she had purchased because she had no stamp and couldn't buy one with her credit card.

Other problems concerned pay toilets and parking meters.

All-in-all, though, Diana says it was an ideal set-up—she got to keep everything she purchased with the card, and she had no trouble getting dates that week, as she had to dine out every night, with her escort, and pay the expenses with her BankAmericard.

Pre-parade refreshments will be served participants at the Veterans' Memorial Building, where light snacks will be available after the parade. Albany Senior Citizens Center on Masonic Avenue between Solano and Washington plans to have open house with coffee and other refreshments that day.

in 18 inches of the property line.

Acting on a report from the Planning and Zoning Commission, which stated the variance had received their unanimous approval at their Sept. 14 meeting, the Council also approved the variance, which would allow the applicant to enjoy his full property rights.

Other Council action included the opening of bids for new police cars. Bids were received from three local car agencies and were as follows: East Bay Chevrolet—new 4 dr. model Biscayne, $3,237.32, with $500 trade-in on police car No. 602 and $600 on car No. 603; H. L. Moore—$3,100 on Satalite Patrolers, with $720.50 each trade-in allowed on cars No. 602 and 603; and Jim Woulfe Ford—$3,195.50 on Custom Ford 500, with $500 allowed for car No. 602 and $600 on car No. 603, These bids were referred to Police Chief Ralph Jensen and City Attorney Larry Saler for their review, with recommendations to be reported at the next Council meeting.

A communication from the Northern California City Clerks Association, offering help in the formulation of questionnaires, oral interviews and oral test results for a new city clerk for Albany was read, and filed. However, a letter of thanks will be sent to the Association, stating that their offer is appreciated and may be accepted in the future.

A letter from Mr. and Mrs. Charles Kempt of 736 Evelyn Ave., expressing their opposition to the Solano Avenue plan, was also filed.

A communication from the Central Labor Council of Alameda County, AFL-CIO, requesting the opportunity to address the Council regarding severance of the City's ties with the League of California Cities, was to be answered with an invitation for an appointment for a speaker to appear before the Council.

A public hearing was scheduled for Nov. 1, concerning a use permit for the opening of a women's retail store at 856 San Pablo Ave., by Shirley Flaherty and Geri Trost of 10578 San Pablo Ave., El Cerrito.

Two resolutions were adopted, at the request of Councilman George Hein. One, commending Congressman George Miller on securing Albany as the Veterans' Day Regional Ceremony site, and the other commending American Legion Vice Commander, A. O. Soderholm for his assistance to Congressman Miller.

Notice was also made, during the final minutes of the meeting, of a joint meeting between the Council and the Planning and Zoning Commission, held last night, concerning a proper plan and proper use for San Pablo Avenue.

Because of the Veterans' Day holiday next Monday, the Council will hold their next week's meeting on Tuesday night.

MOD Walkathon Huge Success

Albany Police Officer Mel Boyd and Albany Administrative Officer James Turner were the first contestants over 18 years of age to cross the finish line in last Saturday's very successful Second Annual March of Dimes Walkathon.

Of the 3,000 walkers who participated, approximately 20 were from Albany and nine of these completed the 20 mile walk, including Jerry Newell from the Orientation Center for the Blind.

Craig Bain, recent Albany High graduate, who walked with Newell, was very impressed with his enthusiasm and with the enthusiasm and good humor of all the contestants, who seemed to thoroughly enjoy themselves during the 20-mile trek.

Approximately nine other residents of the Orientation Center participated and covered at least seven miles each.

Harold Van Coops, Albany March of Dimes chairman, completed the 20 miles and returned home, only to make a return trip to Hayward to pick up little Vicki and Diane Ferris who didn't get through their walk until 7 p.m.

Over $30,000 in pledges were received from sponsors of participants in the Walkathon, including approximately $1,000 from Albany.

California Vets

California maintained its position as the state with the largest veteran population—3,075,000—according to E. W. Christjansen, director of the Veterans' Administration Northern California regional office.

This is up from the previous figure of 2,992,000, Christensen said, noting that there are an estimated 1.2 million veterans living in Northern California alone.

The statistics are compiled annually, as of June 30, based on census figures and VA data, used as a basis for planning services to veterans.

Witnesses To Meet

More than 110 persons from the Albany-Berkeley area will be attending the Northern Bay Area Convention of Jehovah's Witnesses, Oct. 22-24, in the Richmond Memorial Auditorium. The gathering is expected to draw an average session attendance of nearly 2,000.

Key speakers at the conference will be Lyle E. Reusch, District Minister for Northern California, and James L. Waddington, Circuit Supervisor of the 19 congregations involved in the convention.

The climax of the assembly will be on Sunday, Oct. 24, when Mr. Reusch will deliver the public discourse on "Declaring Jehovah's Name in All the Earth," to an anticipated crowd of over 2,500.

All sessions are free and the public is invited to attend.

Church Services

Dr. Lewis J. Julianel is scheduled to conduct both services at the First Baptist Church, 1319 Solano Ave., Albany, on Sunday, Oct. 24.

In the morning service, beginning at 11 a.m., his subject will be "Forward With Christ." The anthem, presented by a choir of 25 voices, will be under the direction of Mrs. LaVaughn Hill. A solo, entitled "Marvelous Grace," will be sung by Mrs. Carol Patterson.

The subject of the evening service, beginning at 7 p.m. will be "The Glorious Gospel." The Youth Choir will be featured at this service. Mrs. Marian Collicott will sing "Nothing Between" by C. A. Tindley.

Candlelight Ceremonies

Mr. and Mrs. William Fellman
—Luoma Photo.

The newly-wed William Werner Fellmans are now "at home" in El Sobrante, following a honeymoon trip to Acapulco, Mexico.

The bride is the former Pamela Joyce Burger, daughter of Mr. and Mrs. Theodore A. Valli of Peralta Ave., Albany. The groom is the son of Mr. and Mrs. Paul Fellman of Reno, Nevada.

The couple were wed in a recent candlelight ceremony at Grace Methodist Church. Bridal attendants included the bride's close friend Miss Lorrene Baum of Albany, maid of honor; and the bride's sister, Miss Lauri Valli, who lit the candle for the ceremony and presided over the guest book.

William Warwick of Oakland served as best man, while Fred Aichinger of El Sobrante, and Marke Santare of Oakland were ushers.

The bride was married in a floor-length gown of apricot colored crepe, with an empire waist and long full sleeves and mandarin collar and cuffs.

In her hair she wore a tiara of fresh apricot carnations and white gladiolas with green leaves, complimenting her bouquet of the same. She also wore (for something old) a heirloom gold pin, which had been worn by her mother, her grandmother and her great grandmother at their weddings.

The apricot color motif was carried throughout—from the colored bows trimming the center aisle of the church, to the refreshments and wedding cake served at the reception.

Out-of-town guests attending included: Mrs. Gladys Crail of Los Angeles, the bride's great aunt; Mr. and Mrs. James Fellman of Lynwood, Washington, the groom's brother and sister-in-law; and Mrs. Robert Stone of Kirkland, Wash., the groom's aunt.

Organ Recital

Dr. Frank Herand, internationally-known Swiss organist and harpsichordist, will perform an organ recital at the First Unitarian Church of Berkeley at 8 p.m., Tuesday evening, Oct. 26.

The program will include Buxtehude's Prelude and Fugue in G Minor; 3 selections of English Baroque by Stanley, Clarke and Arne; Bach's very difficult Trio in D Minor and Prelude and Fugue in C Major, Mozart's Adagio in C Major, K. 356, Schumann's Sketch in D Flat Major, followed by the contemporary Karam's Gigue, the contemporary Langlais' Chat de Paix and Hymne d'Action de Graces (Te Deum).

The Church is located on the edge of Kensington and El Cerrito, and is most easily entered from the junctions of Terrace Dr., Arlington Ave. and Moeser Lane.

Craft Classes

Adult craft classes in macrame and ceramics are being offered this winter by the Albany Recreation Department. The classes will be held Tuesdays at the Albany Community Center, 1123 8th Street, and will run for 10 weeks beginning Nov. 9. The macrame class will be from 12:30-2:30 p.m. and ceramics will be from 7-9 p.m. A charge of $10 for macrame and $10 for ceramics will cover instruction costs and some supplies.

Both classes are geared to beginners who have little or no experience in these areas. Students in the Macrame class will learn the basic knots and how to combine them to create pottery and sculpture which will then be fired to a durable finish. In addition the ceramic class will get a chance to make some of their own glazes and experiment with surface decoration.

Now is the time to begin making gifts for the holidays or just for your own enjoyment and satisfaction. For more information and registration please call 526-6116. You can register at the Recreation Department in City Hall, 1000 San Pablo, Albany.

Unusual Exhibit

An unusual show of Art in Needlepoint is currently on display at the T. K. Cleveland Art Gallery at Northbrae Community Church, 941 The Alameda in Berkeley, featuring the needlework canvases of Milton Holtz.

The Holtz canvasses, which are free-form and abstract, are original designs, are brilliantly colorful and exhibit an interesting variety of expressions and textures.

Mr. Holtz, who became interested in needlepoint while recuperating from an illness several years ago, became tired of the usual "hearts and flowers" and originated his own designs.

The exhibit will be open to the public in the gallery, located on the second floor of Haver Hall at Northbrae Community Church through Nov. 7. Gallery hours are Wednesdays, 2 to 9 p.m.; Fridays, 2 to 6 p.m., and Sundays from noon until 4 p.m.

New Baby

Mr. and Mrs. Gerald Browne, Jr., are the proud parents of a seven pound, seven ounce daughter, Kerri Elizabeth, born Sept. 27.

Grandparents are Albany Fire Dept. Chief Gerald and wife, Marcella and Mr. and Mrs. Aurora Morales of San Francisco.

Gerald, Jr., who is following in his father's footsteps, is a member of the Hayward Fire Dept.

Assemblywoman To Head March

Dr. Marvin C. Hockabout, Alameda County Chapter Chairman of the National Foundation, March of Dimes, has announced the appointment of Assemblywoman March K. Fong, as Alameda County chairman for the annual Mothers' March Against Birth Defects.

As a former teacher, educational consultant, and member of the White House Conference on Youth, Mrs. Fong brings to her new position of responsibility, a deep understanding of young people, and active concern for the particular needs of those who start life and enter school with the added handicap of a birth defect which sets them apart from their fellows.

First Meet For Band Boosters

The Albany High Band Boosters will hold their first meeting of the new school year, tomorrow night, Oct. 21, at 7:30 p.m., in the school's Little Theater.

Led by Donna and Eugene Hellwig, the group's able new co-presidents, the first meeting will primarily be a "get-acquainted" night. Entertainment will be provided by the school's Intermediate Band, and refreshments by Band Booster members.

Parents of students who belong to the Band or Orchestra at Albany High know that, for their child at any rate, that is where the action is.

"Band Boosters" were organized to give parental encouragement and backing to these talented young people. To this end, they have raised enough, by their annual "Fish Frys" to provide the band with uniforms, the orchestra with dinner jackets for the boys and musical instruments as well. Their latest acquisition was a xylaphone.

All parents of students playing musical instruments at the high school are invited to attend tomorrow's meeting to learn for themselves what fun group participation can be.

If you don't want it, sell it with a Times classified ad.

TB Seals in Mail

Christmas Seals have been put in the mail, and 43,000 Albany-Berkeley families should have gotten their packets last week, according to Hubert B. Erwin, 1971 Alameda County Christmas Seal Campaign chairman.

A portion of Christmas Seal funds will go this year, as in the past several years, to fight air pollution through public education, research and community action groups.

Alameda County Christmas Seal funds also go to support the Chestmobile, which travels throughout the county giving skin tests, breathing tests, and multiphasics—plus this year it will be giving figures on the amount of polluting particles in the air at breathing height level—the result of a new dust tape sampler now mounted on the Chestmobile.

Seals also support the Breathing Machine Loan Bank, adult and children's breathing classes, workshops and seminars for nurses and doctors, aid in training inhalation therapists, fellowships for advanced study in chest diseases, medical research and TB testing in poverty area clinics, plus educational materials on respiratory disease, TB, anti-smoking and pollution.

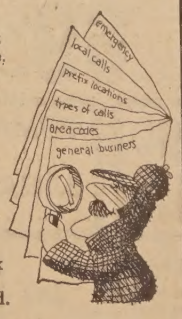

Telephone Pioneers
60 YEARS OF HUMAN SERVICE

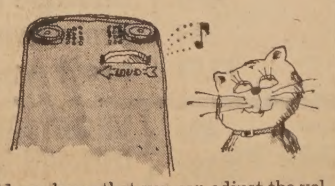

This is the insignia of the Telephone Pioneers of America, 335,000 men and women from the telephone industry who believe that the most meaningful contributions an individual can make to his community are his time and energy.

This month, the Pioneers celebrate 60 years of "human service." In that time, they've worked as hospital volunteers, collected and repaired toys and clothes for needy children and worked extensively with the blind. These are only a few of their contributions.

We're proud to have such concerned, involved men and women represent our industry.

The next time you have a question about your telephone service, check the front pages of your phone book. There you can find Area Codes for the United States and Canada, numbers for your police and fire departments, how to make different types of calls and other helpful information. There's even an index to save you time in finding what you need.

Did you know that you can adjust the volume of your telephone's ring? Just turn the phone over and find the adjustment wheel or lever. By turning the wheel or lever in the direction indicated you turn the sound up so it can be heard at quite a distance. If you're in close quarters, turn it the opposite direction, and the ring is hardly more than a purr. On a wall phone, the adjustment lever is either on the side or at the bottom.

Visiting AFS Student Is 'Seeing The Sights'

Celebrating his 18th birthday in the traditional American manner, Harumi Ban, Albany's American Field Service student from Sapparo, Japan, received his newly-acquired friends and relatives at a recent dinner party given in his honor by his host family, the Robert Luomas, with whom he is now living.

He received many birthday cards and gifts, either through the mail or presented to him personally. One of the gifts he most appreciated was a "Happy Face" scrapbook given to him by Mr. and Mrs. Lee Keck, AFS Chapter presidents.

Harumi is filling the many pages of this book with souvenirs of his first month in the Bay Area. Momentos included will remind him of his visits to Stanford University, the University of California campus, Golden Gate Park, the Japanese Cultural Center, Golden Gate Bridge, San Francisco's Fishermen's Wharf, Muir Woods, Lake Merrit, and Sausalito—where he had luncheon on the terrace of the Alta Mira Hotel.

Other highlights of the AFS student's introduction to America and the Bay Area includes dinner at the Presidio, attendance at a San Francisco Giants game at Candlestick Park and an Oakland Raiders game at the Oakland Coliseum and the Ringling and Barnum Brothers Circus.

He also vacationed at Lake Tahoe and paid a visit to the Cal Expo in Sacramento.

His "family" are planning a trip to Southern California for him this month, where he will visit Disneyland, Universal Studios, Magic Mountain, Bush Gardens, the Queen Mary berthed at Long Beach, and on the trip home — the Hearst Castle at San Simeon.

PAGING BOGEY

The African Queen, the boat which took Humphrey Bogart and Katharine Hepburn up the Nile River in Africa, on a cinematic trip of romance and adventure is now taking passengers up Oregon's Deschutes River.

Hal Bailey, of Eugene, Ore. bought the 30-foot vessel because he was a Bogart fan and because the movie, which was named for the boat, "really got me."

The new owner is now using the boat for an excursion boat on the Deschutes.
